

Inductor Design Form

* Contact Name: _____

* Company: _____

* Telephone: _____

* Email: _____

Fax: _____

Address: _____

City: _____

State: _____

Zip Code: _____

Quotation Quantity: _____

Rated Current: _____ Amps AC DC

Inductance at rated current: _____ mH

Inductance at no load: _____ mH

Frequency: _____ Hz.

Max. DCR _____ Ohm.

Leads:

Self Magnet wire with Acryl-Impregnated Fiberglass Sleeving

UL1015 Stranded Wire

Other (Specify) _____

Lead Lengths: _____

Max. Diameter: _____ in.

Max. Height: _____ in.

Mounting Style:

Open

Horizontal PC Mounting (HPC)

Vertical PC Mounting (VPC)

Other (Specify): _____

Temperature Class: (105°C) B (130°C) F (155°C) H (180°C)

Application: _____

Other Comments and Remarks: _____

* Starred items are required information.
